

## CBT Training workshops Byron Bay accommodation: Special deals

Over the past year, we have had trainees rate Byron accommodation options. Recently we approached those with the top ratings and asked them if they would do discounts for our trainees. We received replies from the those places below. In booking to get their special rates, use the reference CBTRAIN when you phone up (hopefully they will know what you're talking about- if not, direct them to this website. Of course, there are many other places to stay in and around Byron, some of which are excellent (and some not). We hope you find this list helpful.

Name	Address	Phone	Fax	Email	Web	Rate	Reference
